A large banner with a blue background and vertical light streaks. The text "BluStreak Premaster" is written in a large, white, sans-serif font across the center.

BluStreak Premaster

[BluStreak Premaster becomes BluStreak Tracer](#) [1]

Our Blu-ray mastering application, [BluStreak Premaster](#) [2], is being replaced with an enhanced version called [BluStreak Tracer](#) [3].

Along with this change, we've designed a new [Rivergate Software web site](#) [1] to better support our current products, which continue to include [DVDAfterEdit](#) [4] and [DDPAfterBurner](#) [5].

[Please visit our new site for more information.](#) [1]
